CHANGEABLE WEATHER BRINGS SICKNESS.

The changeable weather of March causes coughs, colds, croup and grippe. There is no such thing as a "light cold"—none that a person can safely neglect. Foley's Honey and Tar is a safe and reliable family medicine that heats inflamed, congested air passages, steps coughs and eases breathing. For sale by Reed & Burnett.

DANNEL AGAINST FIELD.

Roane County Primary Saturday Promises to Be a Hot Time.

A primary election will be held in Roane county Saturday to nominate county officers and a candidate to represent the county in the lower house of the general assembly.

J. Tom Dannel, who served Roane county in that capacity four years ago, is a candidate against the field.

Louis J. Scholl, former editor of the Rockwood Times, withdrew last week, fearing his candidacy might result in the nomination of Dannel. F. M. Underwood and O. T. Tynah are still in the race against Mr. Dannel.

It is said there is much opposition to Mr. Dannel by many of the best people of Roane county. The Harrison Record is showing him up in bad shape before the people and it would seem strange if he were nominated in view of the opposition he has.
